EXHIBIT 3

Investment Advisory Agreement

This INVESTMENT ADVISORY AGREEMENT (this "Agreement") is made and entered into as of November 30, 2003, by and between PartnerCommunity, Inc. ("Client") and Mayim Management LLC ("Advisor"), for the purpose of setting forth the terms and conditions pursuant to which Advisor will manage Client's assets designated for management hereunder.

1. APPOINTMENT AS INVESTMENT ADVISOR.

Client retains Advisor as investment advisor to render investment advisory services on the terms and conditions set forth in this Agreement and to manage Client's securities investment (the "Account"). Advisor accepts the appointment as investment advisor and agrees to manage and direct the investments of the Account. Advisor assumes responsibility for the investment management of, and all trading decisions for, the Account and is authorized to render investment advisory services on the terms and conditions set forth herein as of the date first written above. The term of this Agreement shall be for a period of two (2) years from the date of execution of this Agreement and shall automatically renew for consecutive one (1) year periods, unless terminated pursuant to section 17.

The Account will be in the name of the Client and nothing herein shall give Advisor ownership, implied or otherwise, in the Account. Additionally, Advisordoes not have any authority to transfer or direct delivery of cash, securities or any other assets from the Account to itself or any third party or to take or have possession of any cash, securities or any other assets of the Account other than as specifically provided in this Agreement including Section 2 hereof. Client may withdraw funds from the account at any time by requesting the Advisor to make such withdrawal. The Client will use its best efforts to give the Advisor sufficient time to make any necessary investment liquidations in the normal course of business so that the necessary funds will be available for withdrawal as requested.

2. AUTHORITY OF ADVISOR.

Advisor has full and exclusive discretionary authority with respect to the investment and reinvestment of the assets of the Account, subject to the Investment Guidelines. Advisor, when it deems appropriate, without prior consultation with or notification of Client, may: (a) purchase, sell, exchange, convert and otherwise trade in securities, including but not limited to money market instruments, mutual funds, stocks, warrants, put and call options to purchase or sell stocks, bonds and other securities and contracts related to the same, on margin or otherwise, or engage in any investment techniques for the acquisition or sale of any of the foregoing (collectively, "Securities"), for such prices and on such terms as Advisor, in its sole discretion, deems advisable; (b) place orders for the execution of Securities transactions with or through brokers, dealers or issuers which Advisor selects in its sole discretion; (c) negotiate, on Client's

behalf, the terms and conditions of all agreements and ancillary documents incidental thereto, necessary to open accounts in the name, or for the benefit, of Client with such brokers, dealers, issuers or custodians as Advisor may select with respect to the Account and prepare such documents for execution by Client; and (d) act on Client's behalf in all matters necessary or incidental to servicing the Account, including all transactions for the Account. Client will furnish Advisor with all additional powers of attorney and other documentation, if any, necessary to appoint Advisor as agent and attorney-in-fact with respect to the Account, but such powers shall not be construed to authorize Advisor to take any action not authorized by this Agreement.

The foregoing authority shall remain in full force and effect until the termination of this Agreement pursuant to the terms of Section 17 below. Revocation shall not affect transactions entered into prior to such revocation.

3. BROKERAGE.

Advisor may allocate the execution of Securities transactions for the Account to any broker, dealer or issuer on markets and at prices and commission rates as Advisor, in its good faith judgment, believes are in the best interest of the Account. Client understands that other brokerage entities may be willing to execute Securities transactions for the Account at prices and commission rates that are lower than or different from those charged by the entity selected.

In effecting Securities transactions at the direction of Advisor, broker-dealers selected by Advisor may effect similar transactions in the same Security simultaneously for the Account and for the accounts of other clients of Advisor if such aggregation is likely to result in an overall economic benefit to the Account. Broker-dealers may bunch these Securities transaction orders. Broker-dealers will allocate the Securities so purchased or sold in such a bunched order among the participating accounts (including the Account) as Advisor determines in good faith to be reasonable. Broker-dealer may charge a lesser per unit commission on such bunched orders than would otherwise be charged for a non-bunched order, with such savings being passed along to Client and Advisor's other clients who are allocated portions of the Securities so purchased. In that event, Client's brokerage commission will be a pro rata portion of the entire commission charged, determined by multiplying such entire commission by a fraction, the numerator of which is the number of shares allocated to the Account and the denominator of which is the total number of such shares purchased in the bunched transaction in question.

4. SERVICES TO OTHERS.

Client understands that Advisor performs investment advisory services for various clients. This will create conflicts of interest with the Account over Advisor's time devoted to managing the Account and the allocation of investment opportunities among accounts (including the Account) managed by Advisor. Advisor will allocate investment opportunities over a period of time on a fair and equitable basis. Client confirms that Advisor may give advice and take action with respect to any of its other clients that may differ from advice given or the timing or nature of action taken with respect to Client so long as it is Advisor's policy to allocate

investment opportunities to Client over a period of time on a fair and equitable basis relative to other clients. Client acknowledges that Advisor and its principals, employees and affiliates may purchase or sell. Securities for their own accounts and that Advisor shall not have any obligation to purchase or sell, or to recommend for purchase or sale, for the Account any Securities that Advisor, its principals, employees or affiliates may purchase or sell for its or their own accounts or for the account of any other

5. PROXIES AND RELATED MATTERS.
