ITEM 12. Certain Relationships and Related Transactions

On February 9, 1999, the Company’s revenue sharing agreement with two individual investors relating to the State of Arizona (the “Arizona Agreement”) was modified and replaced by a new revenue sharing agreement relating to the State of Florida (the “Florida Revenue Sharing Agreement”). Under the terms of the Florida Revenue Sharing Agreement, the Company was to receive an aggregate one-time up-front payment of \$1,000,000 from the individual investors. The individual investors received a credit from the Company of \$450,000 toward the \$1,000,000 up-front payment as a result of payments previously made by the investors to the Company pursuant to the Arizona Agreement. The Florida Revenue Sharing Agreement entitles the investors to an ongoing fixed percentage of the net storage revenue earned by the Company from specimens originating within the State of Florida, up to a maximum of 33,000 storage spaces. The Company is applying all of its payment obligations under the Florida Revenue Sharing Agreement toward the \$550,000 balance owed by the investors until such amount is paid in full. After the \$550,000 payment is satisfied, payments under the Florida Revenue Sharing Agreement will be made to the investors as required there under. The Company applied \$100,525 and \$232,370 in fiscal years ending 2004 and 2003, respectively, toward the investors’ obligation to pay the \$550,000 balance. The receivable balance was fully satisfied during fiscal 2004. One of the investors in the Florida Revenue Sharing Agreement is Charles Nyberg, who became a director of the Company in August 2001 and resigned from this position in December 2004.

On May 31, 2001 the Company entered into a revenue sharing agreement with Red Rock Partners, a partnership (“Red Rock”), entitling Red Rock to an on-going fixed percentage of the net storage revenue earned by the Company from specimens originating within the State of Texas, up to a maximum of 33,000 storage spaces (the “Texas Revenue Sharing Agreement”). Under the terms of the Texas Revenue Sharing Agreement, Red Rock paid the Company an aggregate one-time up-front payment of \$750,000. The Company made total payments to Red Rock of \$99,723 and \$82,058 for fiscal years 2004 and 2003, respectively. In May 2001, Red Rock also paid \$200,000 to acquire five-year warrants to purchase 100,000 shares of the Company’s common stock at \$6.00 per share, and paid \$50,000 for 25,000 shares of SCPT common stock at a price of \$2.00 per share. One of the partners in Red Rock is Charles Nyberg, who became a director of the Company in August 2001 and resigned from this position in December 2004.

In October 2001, the Company sold 90% of the common stock of Safti-Cell, Inc., a then inactive subsidiary of the Company, to Red Rock. The Company continues to own 10% of the common stock of Safti-Cell, Inc. Mr. Charles Nyberg, a former member of the Board of Directors of the Company, owns a significant interest in Red Rock Partners; however, the sale took place prior to the time that Mr. Nyberg became a member of the Company’s Board of Directors. Subsequent to the end of fiscal 2004, Mr. Nyberg resigned from the Company’s Board of Directors. In October 2001, the Company and Safti-Cell entered into a twenty-year storage agreement under which the Company pays an annual fee to Safti-Cell for each specimen stored by Safti-Cell in its Arizona facility for the Company’s customers. In October 2002, Safti-Cell brought the facility into service, and the Company began providing dual storage service to its customers. The Company currently stores approximately 25,000 split specimens at the Safti-Cell facility. In 2005, the Company expects to implement a new processing methodology in accordance with emerging requirements of the American Association of Blood Banks (AABB). The new process will utilize closed-system bags rather than vial storage. In view of this anticipated transition to a new processing methodology, as well as the enhanced level of security designed in the Company’s new facility, the Company expects that sometime in 2005 it will discontinue offering the dual storage service to new customers.

In August 2003, SCPT received a \$100,000 interest-bearing loan from Daniel D. Richard, a previous officer, director and current shareholder of SCPT, to fund its operations. On November 20, 2003, the loan agreement was amended to allow additional loans to SCPT of \$45,000. The note was due on September 5, 2004 with interest of 4% due upon payment. SCPT pledged 345,161 shares of the CRYO-CELL common stock held by SCPT as collateral for this note. On December 28, 2003, SCPT entered into an additional, separate loan agreement with Mr. Richard for an additional loan of \$50,000. The loan was due on demand, no later than December 31, 2004 with interest of 5% due upon payment. SCPT pledged an additional 100,000 shares of the CRYO-CELL common stock held by SCPT as collateral for this note. During the second quarter of fiscal 2004, SCPT paid the outstanding loan of \$195,000 plus accrued interest to Mr. Richard.
